

2023-24 SPCC Digital Salon Schedule and Categories

Digital Open	Salon Dates	Digital "Category"	
Open-color or monochrome	October 3, 2023 Entries due September 19, 2023	Long Exposure	Exhibit motion occurring during an exposure: moving water, people, machines, wildlife or any suitable subject. Exposure must be at least one-half second or longer, either in a single exposure or for the total of multiple exposures composited into a single image.
Open-color or monochrome	November 7, 2023 Entries due October 17, 2023	Opposites	Find a contrasting pair of objects, people, colors, textures, etc. and portray their differences in an image.
<u>Open-monochrome only</u>	December 5, 2023 Entries due Nov. 21, 2023	Open	Open is your opportunity to share what you like to photograph and any processing you enjoy. Anything goes.
Open-color or monochrome	January 2, 2024 Entries due Dec. 19, 2024	Still life/Table top	A great winter indoor challenge! Build an artistic arrangement of anything you choose and create an interesting image to present.
Open-color or monochrome	February 6, 2024 Entries due Jan. 16, 2024	Monochrome	Black and White Photography is also called Monochrome. The resulting image is limited to monochromatic hues or shades of gray, although filters may be applied to give the image a hue or tint. No part of the image shall be given a special color treatment.
Open-color or monochrome	March 5, 2024 Entries due Feb. 20, 2024	Capture motion	Freeze motion or pan along with something moving, or choose your own creative way to demonstrate movement.
<u>Open-monochrome only</u>	April 2, 2024 Entries due March 19, 2024	Minimalism	Show that less can be more. See how much you can eliminate from a composition and still tell the story or make the point.
Open-color or monochrome	May 7, 2024 Entries due April 16, 2024	Signs of Spring	Typical springtime plants, birds, animals, activities, weather--anything that shows us spring finally arrived.
Annual banquet & award night	June 4, 2024 (Tentative)	N/A	Details to be announced.
